### Information related to e-Certificate

Class & Statutory certificates issued are indicated in the survey status as "HC" for certificates issued in hardcopy format & "DC" for Digitally signed Certificate (e-Certificate).

IRS will be issuing hard copy as well as e-certificates for a period of 5 years from the commencement of this service.

### Verification / downloading of e-Certificates

- e-Certificate, can be verified on the IRClass website at address <http://www.irclass.org/marine/e-certificates-verification> by using a Tracking ID which appears at the bottom of each page of an e-Certificate.
- e-Certificate verification from IRClass website can also be done by scanning the QR Code, printed on the bottom right side of the certificate using any QR CODE scanning application available in app store.
- e-Certificate can be downloaded from IRClass website by using the Unique Tracking ID provided to each certificate or by scanning the QR code printed on the face of the certificate. e-certificates can also be directly downloaded from IRClass website by using login credentials provided to the company.

### Endorsement of e-certificates after completion of Periodical Surveys/Audits/Inspections:

- Endorsement by IRS surveyor

Upon completion of Periodical Surveys/Audits/Inspections attending surveyor/auditor shall update endorsement details in the e-Certificates online immediately but within two working days. As an interim measure a copy of the e-certificate shall be printed from IRClass website & endorsed towards surveys being completed and left on board. The hard copy of the certificate available on board the vessel also should be endorsed and within 2 days on receipt of the information that the digitally signed e-certificate is available on irclass website the owner after confirming so, may withdraw the manually endorsed e-certificate left on board by the surveyor.

- Endorsement by flag or other RO of the flag

When surveys are completed by flag administration or other RO surveyors, attending surveyor/auditor shall print the e-certificate from IRClass website & endorse towards surveys being completed. Copy of survey report along with endorsed certificate shall be forwarded electronically to [ecertificates@irclass.org](mailto:ecertificates@irclass.org)

### Contact us

Request for issuance of e-certificates / related queries are to be sent to [ecertificates@irclass.org](mailto:ecertificates@irclass.org)

### Information for ship owners / managers

1. Any repairs to the hull, machinery and equipment either as a result of damage or wear and tear which are required for maintenance of class are to be carried out under inspection of and to the satisfaction of the surveyors.
2. Where a vessel is damaged to an extent resulting in towage outside port limits, it shall be the Owners' responsibility to notify IRS at the first practicable opportunity.
3. Any alteration proposed to be carried out to approved scantlings and arrangements of the hull machinery or equipment are to meet with approval of IRS. Such approved alterations are to be carried out under the inspection of, and to the satisfaction of surveyors.
4. When a ship is detained by Port State Control, IRS is to be immediately notified by the owner / operator for arranging attendance by a Surveyor.
5. When a vessel meets any accident such as fire, collision etc., it shall be the Owners' responsibility to notify IRS at the first practicable opportunity.
6. It shall be the Owners' responsibility to maintain the vessel in between surveys.
7. If the vessel's class has been laid up, in order to maintain the laid up status, it shall be the Owners' responsibility to offer the vessel for general examination within the window of periodical survey.
8. When a vessel is under survey, it shall be Owners' responsibility to notify IRS if vessel is sailing out of port limits.
9. The class of a vessel will be liable to be suspended if the Owner fails to notify IRS of any damage to the ship's hull, machinery or equipment, which may adversely affect classification of the vessel or subsequently fails to arrange for the survey as may be advised by IRS.
10. The class of a vessel will be automatically suspended from the expiry date of Certificate of Class or by the expiry date of any extension granted, if the special survey has not been completed by the due date and an extension has not been agreed to, or the vessel is not under attendance by the surveyor with a view to complete the surveys prior to resuming service.
11. The class of a vessel will also be automatically suspended if the annual, intermediate survey become overdue.
12. The class of a vessel will be subject to a suspension procedure if an item of continuous survey is overdue at the time of annual survey, unless the item is dealt with or postponed by agreement.
13. The class of the vessel will also be subject to a suspension procedure if recommendations and/or conditions of class are not dealt with by the due date or postponed by agreement, by the due date.
14. The class of a vessel will be liable to be suspended if alterations are carried out on items which may affect the classification of the ship without informing IRS, except in the case of emergency repairs.
15. The class of a ship is liable to be withheld or, if already granted, may be withdrawn in case of any non-payment of fees or expenses chargeable for the service rendered.
16. Where any ship proceeds to sea with less freeboard than that approved by IRS or when the freeboard marks are placed higher on the ship's sides than the position assigned or approved by IRS, the ship's class will be suspended.
17. When it is found that a ship is being operated in a manner contrary to that agreed at the time of classification, or is being operated in conditions or in areas more onerous than those agreed, the class will be suspended.
